Doing nothing ???  
Sick of doing nothing ????  
Really sick of doing nothing ?????

Here at VSTET, we can help in multiple ways

Put in the same time that doing nothing takes and turn it into a qualification, while having a good time.

We have small group numbers, and we work hard to help you do the best you can.

We have 7 options for you to look at, each of them with their own flavour. We will not bog you down with rules and “can not’s” but fill you up with “can do’s”

We give you space to develop your own learning style, and help with issues which are holding you back.

Check out the rest of this promo and see how we may be able to work together.

Why not? if you’re doing nothing you have nothing to loose ..... RIGHT?

All programmes contribute to  
NCEA level 1 or 2
